Rental agreement

A contract between you and your landlord that shows the terms of the lease. The rental agreement should also show the size of the home and if electricity, water or heat is included in the rent.

Rent specification

Shows what you should pay for your home each month.

Attestation of approved subleasing

Shows if the person who owns or holds the lease for the home is allowed to rent it to somebody else. The subletting is approved by the housing association, landlord or rent tribunal.

Subletting contract

A contract between the person who owns or holds the lease for a home and the person who is subletting the home.

Purchase agreement or transfer agreement

Shows that you own the home.

Fee specification

Shows how much you should pay for the home each month.

Promissory note for mortgage loan

Shows who you have borrowed money from to buy the home, how much you have borrowed and when you will pay it back.
